

TYPE EXAMINATION CERTIFICATE

FIRE RESISTANCE OF LIFTS LANDING DOORS

Issued by Liftinstituut B.V.

Certificate no. : NL14-400-1002-061-12 Revision no.: 2

Description of the product : Fire resistant two panels side opening lift landing door

Trademark : Merih

Type no. : C-01 T2P

Name and address of the manufacturer : Merih Asansör San. Ve Tic. A.Ş.
Başkent OSB. Recep Tayyip Erdoğan Bulv. No:8
Temelli, Ankara, Turkey

Name and address of the certificate holder : Merih Asansör San. Ve Tic. A.Ş.
Başkent OSB. Recep Tayyip Erdoğan Bulv. No:8
Temelli, Ankara, Turkey

Certificate based on the following standard : EN 81-58:2018

Test laboratory : TSE Turkish Standards Institution Headship of Test and Calibration Center, Turkey

Date and number of the laboratory report : 24-09-2021, 635741

Date of type examination : 03-12-2013, 06-12-2017, 29-09-2021

Classification : The performance criteria of the EN 81-58 covered are:

	E	EI	EW
C-01 T2P, two panels side opening	120	-	-

Additional document with this certificate : Report belonging to the type-examination certificate no.: NL14-400-1002-061-12 rev.2

Additional remarks : This revision replaces certificate NL14-400-1002-061-12 rev. 1 of 06-12-2017

Conclusion : The landing door C-01 T2P meets the requirements of EN 81-58:2018, in particular for the classifications indicated above.

Report Type-examination

Report belonging to type-examination : NL14-400-1002-061-12 rev.2
certificate no.

Date of issue of original certificate : January 21, 2014

Requirements : EN 81-58:2018

Project no. : P170404, P210334

1. Examinations and tests

The type examination of the 2-panel one side opening landing door C-01 T2P existed from assessing the technical file. The test was executed on September 9, 2021 at TSE Turkish Standards Institution Headship of Test and Calibration Center, Turkey. All results for fire resistance are described in report no. 635741, dated 24-09-2021. Liftinstituut recognizes the test and results. Report 635741 is part of this examination (see annex 1).

2. Results

After the final test the fire resistance results of the lift landing door were ranked in accordance with the requirements (classification) of the standard EN 81-58. See report 635741, Chapter 6 for field of direct application of test results.

3. Conclusions

Based upon the results of the type-examination, Liftinstituut B.V. issues a certificate for the fire resistance of the landing door C-01 T2P.

The type-examination certificate is only valid for products which are in conformity with the same specifications as the type-certified product. Products deviating of these specifications need additional examination by Liftinstituut in order to determine whether a new type-examination certificate is necessary. Additional examination shall be requested by the certificate holder.

The type examination certificate is issued based on the requirements that are valid at the date of issue. Liftinstituut reserves all rights regarding the validity of the certificate with respect to changes in requirements or changes in state of the art of the product.
